### “Change has come to Sky Ranch”

The Board of Directors of Lutheran Ranches of the Rockies has accepted the resignation of Executive Director, Rod Pearce. After almost two years of faithful service to this outdoor ministry, Rod will be pursuing new ministry opportunities. In the interim the Board is taking steps to strengthen its ability to provide outdoor ministry programs. Sky Ranch will continue to offer a full range of programs next season including youth camps for all ages, backpack and servant event programs, family camps and retreats. The staff is excitedly preparing for the 2010 season. We look forward to continuing to be a partner in ministry.
